# THE WELCOME TABLE

caring for our community

## I Your Voice Matters

Every individual brings a unique set of skills, insights, and passions to the table. By lending your voice to the community dialogue, you contribute to the richness of its tapestry. Whether you're advocating for a cause you believe in, sharing your expertise, or simply offering a fresh perspective, your input has the power to shape the direction and character of the community.

Line Dancing class added to calendar in response to feedback given by neighbor

## Community Conversations

First Saturday of Every Month  
10:00 AM

Community Conversations are a monthly open forum where neighbors gather to discuss matters that are important to community life. We host these meetings to both deepen communication between The Welcome Table and neighborhood residents as well as to provide an additional space for folks to connect with one another. Discussion topics vary, and previous conversations include subjects such as the unique role of seniors in our community, defining what we value in a neighborhood community and a youth forum series. Please join us for our next conversation on April 6th!

**"When we speak we are afraid our words will not be heard or welcomed. But when we are silent, we are still afraid. So it is better to speak."**

**– Audre Lorde**

## II

## Community Survey

The Welcome Table's community survey period will be closing on Sunday, April 7th. We deeply value your feedback, so please take the survey if you haven't already! Remember, if you complete the survey fully, you'll be entered into a raffle to be one of three people to win a \$100 Target gift card.

The purpose of this survey is to understand how the Welcome Table is received by our community and for our team to become better informed about what is working and what can be improved upon.

## Survey Follow Up Interviews and Discussions

April 27th and May 7th

After the survey period closes on April 7th, we will begin to hold one on one interviews as well as larger discussion groups centered around the information gathered from you in the survey results. The first discussion group will be on Saturday, April 27th from 10:30am-12:00pm and the second discussion group will be on Tuesday, May 7th

from 5:30pm-7:00pm, both in the Adult Education Center. Sign ups for participating in both the one on one interviews and the discussion groups will open after the survey closes.
